SUMMARY

Highly motivated and analytical Data Scientist with a Master's degree in Applied Statistics and a strong foundation in data modeling and machine learning. Proven ability to extract actionable insights from complex datasets and translate them into impactful solutions. Seeking a challenging role where I can leverage my technical skills and contribute to data-driven decision-making.

WORK EXPERIENCE

Walgreens, Junior Data Analyst, June 2023 – Present

- Conducted descriptive and inferential statistical analysis on customer loyalty data to measure campaign effectiveness, identifying key trends and patterns for optimization.
- Developed basic predictive classification models using Python and Scikit-learn, achieving 85% accuracy in pilot program, contributing to improved marketing campaign performance.
- Wrote and optimized SQL queries to extract large datasets from data warehouse for ad-hoc analysis, enhancing data accessibility.
- Designed and implemented A/B testing frameworks for marketing campaigns, providing clear statistical readouts for rigorous experimentation.

Deloitte, Data Science Intern, May 2022 – August 2022

- Assisted senior team members in data cleaning and feature engineering using Python (Pandas/NumPy), supporting data integrity and preparation for advanced analytics.

SKILLS

Python, SQL, TensorFlow, PyTorch, Scikit-learn, Spark, Airflow, Jupyter, Git, Docker, AWS, GCP

EDUCATION

University of Chicago, Master of Science in Applied Statistics, 2023

- Relevant coursework: Regression Analysis, Bayesian Statistics, Data

Visualization, Statistical Modeling

University of Illinois at Urbana-Champaign, Bachelor of Science in Mathematics,
2021

- Relevant coursework: Linear Algebra, Calculus, Probability & Statistics

PROJECTS

Credit Risk Model, Personal Project - 2023

- Developed a machine learning model to predict credit risk using logistic regression. Implemented features and trained model to predict risk scores. Utilizing Python, Scikit-learn, and Pandas.

CERTIFICATIONS

IBM Data Science Professional Certificate
